Payments powered by 

One Source for Booking and Payments

IBS Software has partnered with WEX to enhance its expansive iHospitality hotel solutions platform with a real-time, integrated, virtual card payment solution.

iHospitality powers the largest real-time network of hotels and travel sellers, from large OTAs to regional tour operators. Its fully integrated and centralized solution, iHospitality Gateway™, empowers hotels to efficiently expand their distribution reach, centralize operations and increase revenue.

Through its partnership with WEX, a global pioneer in virtual payment solutions, IBS can offer its iHospitality Gateway Distribution Partners:

- Integrated virtual card technology
- Automated hotel payment processing
- One-to-one reconciliation
- 20+ currency payment options

FAST FACTS

About IBS' Hospitality Business
