### **IBS Software wins Frost & Sullivan Company of the Year Award**

**Trivandrum: October 16 2015:** IBS Software has won the prestigious **Frost & Sullivan Company of the Year Award** for 2015 as the India IT software solutions provider for aviation industry. This was announced at the 'Frost & Sullivan India Best Practices Awards Banquet' held in Mumbai last week.

The awards recognize companies across a range of regional and global markets for superior leadership, technological innovation, customer service and strategic product development. Frost & Sullivan's industry analyst team benchmarks market participants and measures their performance through independent, primary interviews and secondary industry research to evaluate and identify best practices. Some of the industry verticals that were taken into consideration for this year were Aviation, Banking and Finance, E-Commerce and Transportation.

Receiving the award, Jude Kishore, Sr. VP and Head Corporate Planning & Development – IBS Software said " To be recognised for the practices and processes we follow is a true endorsement of the professionalism and global standards IBS adheres to. We are delighted to win this recognition from one of the leading consulting firms in the world. "
